An Appeal for Alumni Auditorium Fund

Dear Alumnus,

Warm greetings!

As an alumnus and head of this prestigious institution, I feel greatly delighted to speak with you through this e-mail/mail.

As you are aware, our institution started immediately after the post-independence of our nation to meet the technical manpower needs has so far produced more than 50,000 technocrats who occupy high positions in reputed organizations all over the world and many have become successful entrepreneurs.

When I had discussions with our alumni members, everyone expressed their views about the need for auditorium for alumni with guest rooms. It is very useful for the reunion of alumni in the alma mater's auditorium and for stay in the guest rooms. In this context, I have obtained permission from our Hon'ble Chairman Sri.C.Valliappa on behalf of the alumni association, to construct an ALUMNI AUDITORIUM with two Guest Rooms in 6000 sq.ft. in our institution on the eve of Diamond Jubilee Celebrations. I hope that such an Auditorium in our campus will signify the strength of alumni of six decades and will give a sense of satisfaction to all the alumni members.

It is estimated that the approximate cost of construction of the Alumni Auditorium will be around Rs.120 lakhs. Hence, this is an earnest appeal to all the alumni members to generously contribute to the Alumni Auditorium Fund.

In this direction, we invite the alumni to contribute a sum of Rs.25,000/- each or as per your wish for the construction of Alumni Auditorium. The name, batch with photograph of the donors contributing Rs.25,000/- or more will be engraved in the Alumni Auditorium.
