Invitation to attend NBA Meeting on 28.04.2018 at 1.30 pm

Dear Alumnus,

I am glad to state that we are in the process of obtaining NBA for the third term for our five programmes, viz., Civil Engineering, Mechanical Engineering, Electrical & Electronics Engineering, Production Engineering and Textile Technology.

In this connection, as a part of the inspection, the committee will have an interactive session with all the stakeholders namely Alumni, Industry Personnel, Students and parents.

The interaction session is aimed in seeking the opinion of the stakeholders on various parameters like the infrastructure, quality innovation in teaching learning process, results, placements, rapport with alumni and industries and other activities / initiatives taken by the institution.

In this context, the interactive session with the Alumni is scheduled on **28 April 2018, Saturday at 1.30 pm** in our Institution. I take this opportunity to invite to invite all alumni spread worldwide to spare their valuable time in sharing their experiences with the NBA committee members and expect a similar kind of co-operation from all the alumni through this NBA visit, which will really showcase the huge strength of alumni of six decades.

Here with I am attaching the brochures of Polytechnic for your reference. Kindly Mail us your participation and valuable suggestions.

For further details please contact the respective department HoDs or Faculty or Ms.M.Gomathi / Lecturer/Computer, 📞 **7305621521**
